

"Building Today's Workforce for Tomorrow"

Who Will Build Tomorrow's Homes?

The Time To Act Is Now!

Home Builders Association of Connecticut's Workforce Development Program Is Providing Solutions...

Outreach to Connecticut middle, high schools and community colleges to promote residential construction career opportunities and recruit local Home Builders Association members to participate in career awareness activities.

Promote use of National Association of Home Builders' endorsed textbooks, curriculum and certification.

Establish National Association of Home Builder Student Chapters. (There are 8 to date.)

Job placement for student interns and graduates with local Home Builders Association members.

Protect Your Industry's Future. Your Tax Deductible Donation Will Make a Difference!

Why we need your support.

Home building is a high growth industry which faces severe skilled labor shortages in the next five to ten years. Our workforce development program makes people aware of career opportunities and provides a career pathway from K-12 through training and placement using a curriculum created by builders for builders. Funding is needed for outreach literature, materials and supplies; student chapter start up costs; mini grants to middle, high schools and community colleges for textbooks, project tools and materials; program administration and advertising expenses.

Contribution Levels:

- \$100+ Donor
- \$500+ Friend
- \$1000+ Supporter
- \$5,000+ Benefactor

Donations of any size will be greatly appreciated.

Please, mail a check and make it out to:

CIPBR
20 Hartford Road, Suite 18
Salem, CT 06420

What will you get for making a donation?

- A sense of hope for the future of your industry and the satisfaction of knowing that you are participating in a proactive solution!
- **A deduction for your 2008 tax return!**
- All donors (Friends and above) will also receive a framed certificate of appreciation and recognition through Honor Rolls and logos on career awareness promotional items.
